

QUILT

The natural look of strips of Canatex (Batyline fibers mixed with natural hemp), skillfully handwoven in a quilt look pattern, contrasts in harmony with recycled teak and stainless steel. The sofas have cushions in Sunbrella fabric covering a core in Quick-dry foam and strong, waterproof, protective covers are available.

Design: Vincent Cantaert & Barbara Widiningtias

MG 2205C **QUILT** club chair, MG 2215 **QUILT** table 260x100 cm
