

# SPARTA

The Sparta range is a fusion of the quest for comfort with the best of materials. Table tops are made of granite or optionally of wide recycled teak slats (similar to the Icon tables), the frames are available in 304 or 316 stainless steel. Dining chairs, casual seats and loungers combine stainless steel with a sling in very durable Batyline.

Design: Vincent Cantaert & Barbara Widiningtias

MG 12217 **SPARTA** stacking chair, MG 4182 **GARBO** dining table 260x90 cm (glass)
